2025-2026 Registration

HSL Youth Foundation Inc. Schools of Dance are now registering students for several schools located in South and Central Texas.

The 2025-2026 benefit is available to members and non-members who will be 3 to 17 years of age as of Sept. 1, 2025. Students may enroll in any school of dance they choose.

Our schools of dance are designed to teach the art of dance in a wholesome atmosphere of fun, work, physical exercise and fellowship. Each school of dance teaches varying degrees of tap, ballet and jazz. A recital is held at the end of the season.

Dance class tuition is \$38 per month for nine months or you may choose to pay the full amount of \$342 at registration.

A \$200 registration fee is due at the time of enrollment.

Active Hermann Sons Life members receive a waiver for the registration fee. Tuition fees are charged to accounts provided the first of every month, unless that falls on a weekend and then it would be charged the following Monday. Tuition and registration fees pay expenses during the year and the Home Office cost for teacher salaries and any other expenses that are incurred.

Each teacher is an employee of HSL Youth Foundation Inc.

The teacher(s) and at least two parent volunteers are responsible for the day-to-day operation of the school.

There will be several opportunities for parents to volunteer throughout the year. We encourage you to ask the teacher or parent liaison about these opportunities. (Examples include the Fund-raising Committee, Recital Committee and classroom monitors.)

All parent volunteers are required to pass a yearly background check. The background check form is available through your school of dance teacher.
